YIKES!

Unexpected expenses. The car that we're sending to Vanuatu is a car that we have owned for a few years. It runs good, haven't had any problems with it except for having to replace the brakes last month. We are on our way to the national meeting, and today, as I sit here writing this report, we are having new brakes put on our other car that will stay here in the states. When they jacked the car up they found an oil leak.... Come to find out it's a cracked head! Replacement and labor together will be about \$1,300. I just got a call from my car insurance agent who said that our policy was cancelled because our payment didn't go through. I had it set up to be automatically deducted every month. I still don't know what happened there. The code they got was that our account was closed.... It's not. There's an extra set up charge to start the insurance again that was just under \$300. The air conditioner also needed charging, \$130. When it rains it pours! One thing about money... God ALWAYS takes care of our every need! Thank You Lord!

Prayer Needs

- Pray that the Lord continues to make His path clear for us as we return to Vanuatu in the fall, that souls will be saved and hearts will be given to God.
- Please pray for our family, Maggie's parents, our kids, grandkids, and great grandkids.
- We will need between \$3,000 and \$5,000 to retrieve our container from the wharf.

Health Update: I got an insect bite in January, (that turned into a severe infection) and the month of May has brought with it much healing. I feel very blessed to be on the healing side of this! It is much better now. Not healed totally but, believe me, I am thankful. We spent a lot of time with Westwood, our sending church, recovering. We are so thankful for everyone there.

While traveling in the direction of Spokane for the national ABA meeting. We had the privilege of visiting South Crossett MBC in South Crossett, AR, Arbanna Baptist Church in Mountain View, AR as well as

New Hope MBC in Mountain Home, AR.

In our travels we stopped and saw David and Kathy Smoke in White Hall, AR. He has helped us so much by doing our taxes for the last few years. They have both been such a blessing to us!

National Day of Prayer

On May 4th, National Day of Prayer, we had the awesome privilege of being in Auburndale, FL and listening to Pastor Eric Sutton speak.
