Grace be unto you, and peace from God. Thank you for your all prayers and support for my ministry. I moved to Brazil and started a new life!

Life in Brazil

It really started to live in Brazil in earnest! My first goal is to get a car, a house, settle in, and find a language teacher. Bro. Jay Ross who is serving there and his family are helping me a lot. This is truly a blessing! I'm staying at Bro. Jay's house until I find a house and the container arrives. In the meantime, Bro. Jay is helping me with buying a car, finding a house, and other paperwork when he is available. I really appreciate his help!

Container

The Container left World Wide Literature's warehouse on Feb 27th. It then departed for Brazil on March 2nd. I was informed that the container arrived at the port of Santos, Brazil on March 29th. I am currently working on the paperwork to receive the container. But I am having a little difficulty with this paperwork. Please pray that the process will go smoothly, and I will not have to pay a large amount of taxes.

Church in Brazil

I attend Igreja Batista Novo Tempo pastored by Bro. Jay on Sunday and their missionary's newly started church on Wednesday night. I met a Japanese man at one of the Wednesday service. He moved to Brazil 13 years ago and married a Brazilian woman. His wife attends worship service often, but he is not because he is atheist. This time, he heard that a Japanese missionary had come to Brazil, so visited the church. Please pray that we can build a good relationship, share the gospel with him, and for his salvation.

Thank you for all your prayers, encouragement, and financial support. I pray that God richly blesses you.
