Dear Brothers and Sisters,

Happy Blessed New Year 2024

God is so good! He has kept us safe and provided all our needs.

We ended last year working in Hayward. Jan and Feb this year there have been a few small electrical projects. Have been home more, getting Medical appointments done. If you have some electrical problems, please call John at 909-991-8656. He has been Video conferencing about a lot of electrical issues.

At this time, the only large project on the schedule for us, is a Macedonian Project. In May, Lord willing we will travel to Oklahoma to help on that project.

Pray for John, as he will be having Eye surgery for Glaucoma and Cataracts on one eye in March and possibly the other eye after that. Esther is having Physical Therapy for Back issues.

Pray we can get back on the road soon and for health issues.

This month, we have been in the Building Ministry 18 years working with Chapel Builders. As always, your prayers, love and support has been such a blessing. We can never thank you enough. But God will bless you abundantly As long as the Lord allows us, we will continue working for him on the road with the Building needs of our Missionary Baptist churches.

God bless and keep, John and Esther Thiem
