

March 2024

Greetings,

As missionary pastor of Get to know Jesus, I am encouraged that my labor is not in vain, not because of what I have done but what God has done in me. The responsibilities that God has laid upon my life with family, seminary, bible study preparation, prayer, visitations, sermonizing, job, and reports. These responsibilities are great, but I am often reminded that God who has begun a good work will perform it until the day of Jesus Christ. (Phil. 1:6) As a servant of God, "I am constantly watching the calendar and clock."

Brethren I ask that you pray for us as Paul requested the church at Thessalonica, that the word of God will move freely and that He be glorified in all we do. Pray for Get to Know Jesus that we be rescued from the power and oppression of those that oppose the gospel. In asking for these prayers, we know that God is faithful.

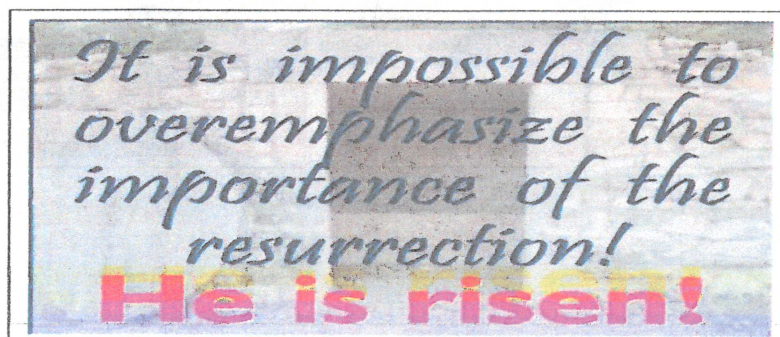

As I look back, I see all the blessings that God has bestowed upon us. The brotherly love of all of you that have supported this mission, with a Van, Bibles, teaching resources and many other needs, for this we are forever grateful. This is allowing us to reach and teach those the everlasting love of God, witnessing the life changing results in their lives.

As there are limitations on our time, there is no limit with God. As we look for our Lord and Saviors return, we pray that the focus of all His New Testament churches continues to be winning souls and preparing them for eternal life. I firmly believe that the day is fast approaching of our Lord and Savior's return. So, we must watch and pray that souls might be saved because when Jesus returns there will be no need to watch as our prayers will be turned into praise.

Prayerfully,

Missionary Pastor

Dear Brothers and Sisters

We thank God for your continued support of our mission.

The children are well, they are growing in the knowledge and faith of Jesus Christ. They invited friends from their respective schools to attend a fun and fellowship day on March 29, 2024. They had bible teachings, games, food, and lots of fun getting to know Jesus.

Our pastor has been quite busy with seminary, studying and preparing to receive his Bachelor of Theology this semester. He is also doing home bible studies with several families. Please keep the Lucas and Frazier families in your prayers that they might come to the knowledge of the truth.

The women's prayer call continues each Saturday bringing their prayers to God on the behalf of others and strengthening their faith in Christ. The Women's prayer call is Saturday mornings 11:30 am EST. The telephone number (Free conference call.com) is 202-926-1157 and code: 890321#. You can also email her at get2knowjesus215@gmail.com.

Our outreach at the Zebulon house is each 2nd Sunday. They continually express their appreciation for the word of God that is presented and really love singing hymns about our Lord and Savior.

Thank you and may God bless,

Church Clerk

Sister Lanette Clay Wiggs
